

VERDANT GARDEN TONIC

Cucumber & Thyme Flavour

A refreshing cucumber and thyme stick pack concept featuring **MonaJuventa®**, formulated to support cellular energy and healthy ageing.

The formulation combines **300 mg nicotinamide riboside (NR)** to support NAD+ pathways, with **coenzyme Q10** and **zinc** to contribute to cellular function and oxidative stress protection.

At its core is **MonaJuventa®**, a botanical blend of scarlet beebalm and lemon balm, designed to complement longevity-focused formulations through plant-based bioactives.

Fortified with vitamins **B6** and **B12** to support normal energy metabolism, the concept delivers a multi-pathway approach to longevity in a convenient, ready-to-mix format.

 **MonaJuventa™ Nu**
