

WEIGHT CONTROL STICK PACK

LEMON
FLAVOUR

Water Based Liquid Stick Pack

FOOD SUPPLEMENT IN LIQUID STICK PACK BASED ON BIOECOLIANS, WITH TINDALIZED PROBIOTIC, CHROMIUM AND BOTANICAL EXTRACTS. BIOECOLINAS IS A PREBIOTIC ALPHA-GLUCOLIGOSACCHARIDE SUPPORTED BY CLINICAL EVIDENCE IN PROMOTING THE GROWTH OF BENEFICIAL GUT BACTERIA, ENHANCING SATIETY AND REDUCES BODY AND ABDOMEN FAT WEIGHT, REDUCING CONSTIPATION BY INCREASING THE FREQUENCY OF BOWEL MOVEMENTS AND IMPROVING STOOL CONSISTENCY, REDUCING BLOATING AND DISCOMFORT.

BENEFITS:

- Tindalized Lactobacillus* helps to maintain the balance of intestinal flora.
- Gymnema sylvestre contributes to metabolism of carbohydrates and lipids, and control of hunger.
- Lemon balm has digestive function and improves the regular gastrointestinal motility and elimination of gas.
- Chromium contributes to normal macronutrient metabolism and to the maintenance of normal blood glucose levels.
- Without added sugars and artificial dyes
- Very good taste with natural flavor
- With sweetener
- Quick and easy administration: Take 2 stick pack a day, as it is or diluted in 500 ml of water to promote the draining action

SERVING SIZE: 1 X VIAL DAILY
