formulated. manufactured. delivered.

OUR TECHNOLOGIES

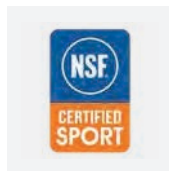

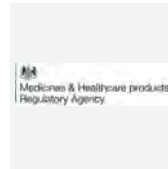

Innovative Solutions Crafted for Health & Beauty

OUR PACKAGING

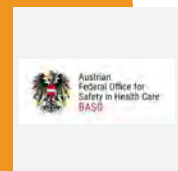

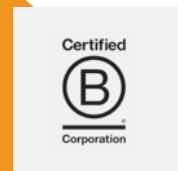

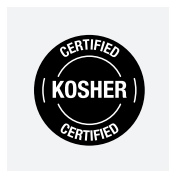

Tailored for every product and brand

OUR ACCREDITATIONS

More than 40 accreditations across our factories

FROM CONCEPT TO CONSUMER

1 DISCOVER & IDEATION

We turn smart ideas into impactful products with research-driven insights, trend analysis, and expert collaboration.

2 DEVELOPMENT

From concept to shelf, we develop high-performing health and beauty products with scientific expertise, agile support, and trusted regulatory guidance.

3 **VALIDATE**

We ensure every product meets the highest standards through rigorous testing, built-in quality control, and validation for safe, consistent, and scalable performance.

4 **LAUNCH**

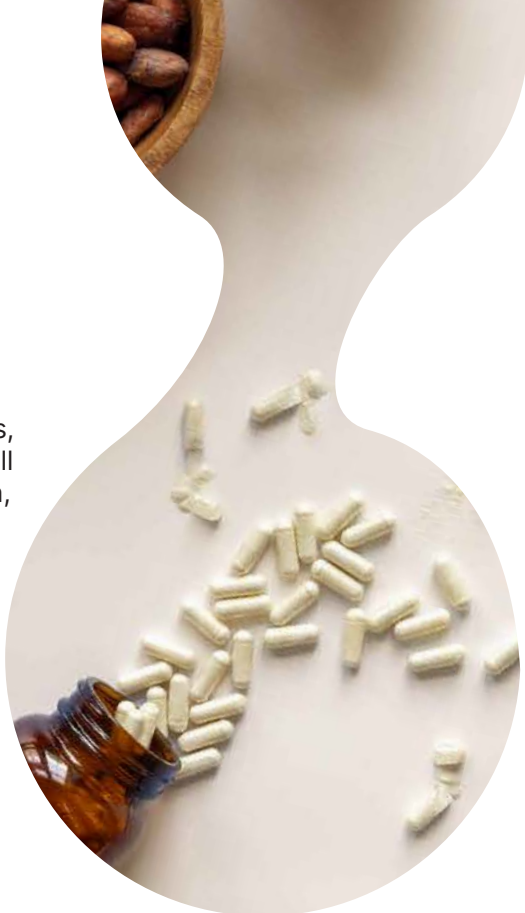

We bring your product to life with precision manufacturing, integrated supply chain support, and end-to-end expertise to ensure quality, speed, and scalable success.
